

# BONGO Rx

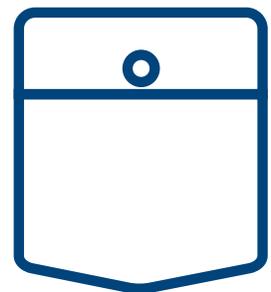

*A Sleep Apnea Therapy Device*

Bongo Rx is an FDA cleared, prescription device for treating mild to moderate obstructive sleep apnea (OSA).

With its soft nasal seals, the Bongo Rx is easy to use, requires no power, and is perfect for traveling.

Bongo Rx is reusable and is small enough to fit in a shirt pocket so patients can use it... anytime, anywhere.

# BONGO Rx

## For the Patient

*"Anytime, Anywhere"*

- ✓ Soft silicone nasal seals
- ✓ Uses the patient's own exhalation to generate EPAP (Expiratory Positive Airway Pressure)
- ✓ No machine, electricity, or batteries required
- ✓ Small size makes it discreet and convenient
- ✓ Includes an optional headgear, a travel case, and a drying stand
- ✓ Use at home, traveling, camping, etc.
- ✓ Reusable

## For the HME Provider

*"The New Rhythm in Sleep"*

- ✓ FDA cleared for treating mild to moderate obstructive sleep apnea (OSA)
- ✓ Clinically tested to demonstrate safety and effectiveness
- ✓ Supplemental lifestyle option for your compliant patients
- ✓ Patient friendly option for your non-compliant patients
- ✓ Starter kit includes all sizes for easy, hassle-free fitting
